18. Next Meeting: 10th October 2023

TOWNSVILLE ROCKWHEELERS MOUNTAIN BIKE CLUB INC.

Following on from Braeden's email below we now know that we can split the time up into the 4 x 2hr blocks.

Outside of the Women Social Ride that we have a date for, can you please ask at tonight's Committee meeting (that I cant attend) when:

- the next DH Race day is,
- When Targa is
- What date will work best for the Testimonials (should this be the same day as the AGM or is this too far away?)

RE Testimonials for Mike Carney and JCU – I see value in doing this as these pieces will support the World Trail Report ([@Rockwheelers MTB Club President](#) -Micheal can you share this document please mate??!!). There is an additional cost that has already been quoted at \$2950 inc GST (See attached). This is a small cost for the perceived value that it may have when dealing with other stakeholders in the coming months trying to get funding from Local, State and Federal Governments and the like. I have requested the links to some of the current testimonials that Key Concept has completed – hopefully these should come through today.
